Ufton Pedestrian Crossing

As you will have seen the much-needed pedestrian crossing on the A425 is under construction. A reminder about the construction from HS2 -

To carry out these works safely, HS2 will be installing temporary traffic lights and a single lane closure along the A425 Southam Road in the village from Thursday 30 May until Monday 3 July (excluding Jubilee bank holiday weekend).

This will be followed by a temporary road closure from Monday 4 July until Friday 8 July, lastly temporary lights from 11 July the 17 July, if required to complete works.

Access for local residents and businesses will be maintained and diversions will be clearly signposted during closure periods. The work is subject to change – for live traffic information go to one.network and please check on-the-road signs.
