Operation Recall

Stratford-on-Avon District Council's Rural Crime Advisors are participating in 'Operation Recall', a national initiative to raise awareness of livestock worrying and the potential for death and injury due to attacks by dogs on all kinds of animals, especially sheep. The District Council's team is visiting rural areas where dog attacks on livestock have already been reported, to discuss safe dog walking with members of the public and provide the National Sheep Association's Enjoy your dog walks information leaflet.

<https://www.stratford.gov.uk/.../sheep%20worrying...>

Under the Dogs (Protection of Livestock) Act 1953, it is a criminal offence for a dog to actively worry livestock and dog owner's risk prosecution. Whilst the majority of dog owners do walk their dogs in a responsible manner, unfortunately there

are a small minority whose recklessness puts the welfare of other animals at risk. If you would like further information or think your farm/local area would benefit from a visit from the District Council's Rural Crime Advisors, Rebecca Jenkins and Alison Packer, or would like 'Operation Recall' leaflets to distribute in your local area please email: community.safety@stratford-dc.gov.uk (<https://www.stratford.gov.uk/.../Op%20Recall%20Leaflet...>)

If you have livestock and would like a 'Dog on Lead' sign, please email: ruralwatch@warwickshire.police.uk. If you are having regular issues with livestock worrying near you and would like additional support, please get in contact with the Warwickshire Police Rural Crime Team at RuralCrimeTeam@warwickshire.police.uk

Potential Solar Farm – Radford Semele

The article in June's Ufton News regarding to the potential solar farm at Radford included the following comment "I have invited our district councillor, but as I've written to her three times now with no reply, I don't hold out much hope". This remark referred to the Warwick District Councillor for Radford Semele. Rebecca Noonan.

I offer apologies to our District Councillor Susan Ostrander for any misconceptions this alluded to her.
