Christmas Carol Service

We have got permission to hold a Carol Service in Ufton Church on Sunday 17th December 2023. Revd. Bob Clucas will be leading the service and hopefully we will have someone to play the organ.

What we will not have is a clean church, as it has been closed for some months since it was last in use. Therefore, the church will need to be cleaned. We are aiming to do this on Saturday 16th December 2023 between 10 am and 12 noon.

Clearly many hands make lighter work, so we are asking for volunteers to come and help us.

No volunteers = no clean church = no Carol Service

Hot drinks and nibbles will be provided.

Ufton Parish Council

Currently has two vacant positions. The Parish Council would like to fill these and encourage anyone who lives or works in the village to consider becoming a Parish Councillor. Currently the Parish Council meets 11 times a year, on the first Tuesday of the month at 8.00 pm in the Village Hall. We do not meet in August.

If anyone would like any further information please contact the Clerk, Jackie Chapman, or any of the current Councillors, John Tayler, Mike Looney, Colin Baldwin, Ian Crowther, or Greg Byrne. As you can see, we currently have no women Councillors, it would be good if this situation could change.

If anyone wishes to become a Councillor, please advise the Clerk prior to the next meeting due to be held on Tuesday 2nd January 2024

Heart of England Farms
Festive flavour to savour

Locally reared, free range Christmas
Bronze and White turkeys, Cockerels,
Geese and Ducks.

Heart of England Farms have been rearing christmas poultry for over 30 years. Specialising in free range bronze turkeys, cockerels, white turkeys and geese we can offer something to keep every tastebud happy! With sizes ranging from smaller 3kg cockerels to beautiful 11kg+ turkeys, whatever the size of your gathering we have the ideal solution.

After spending so long apart during 2020 Christmas is a time to be together. An ideal opportunity to put those new found cooking skills to the test perhaps! Our bronze turkeys have free range in open fields, the perimeter fence is to keep the wily fox out rather than the birds in! The geese wander at will being allowed acres of space for grazing, and our cockerels and ducks are allowed the time to reach maturity resulting in the tastiest birds ever!

For prices and ordering please visit our website, however for any individual questions do not hesitate to give us a call. Collection days are the 23rd and 24th December or delivery can be arranged as required.
