Ufton Quiz Night Friday 18th October 2024

On Friday 18th October the Village Hall Committee will be holding a Quiz Night from 7.30 pm.

Everyone is welcome and teams can be made up on the night. Drinks and light refreshments will be on sale, plus a raffle will be held. It does help with setting up tables if we can be told in advance who is planning to attend so if you can let any of the VH committee know that would be helpful (we are Katy, Tina, Milly and Jill).

A heads up for your diaries, that we are planning a Christmas craft fair on Saturday 16 November, further details to be provided.

The Village Day

What a wonderful day was had by all who were able to attend the Village Day held at the Village Hall on Sunday 1st September. A big thank you to all who contributed to making the day a success.

The Morris dancers started the day off with a procession along St. Michael's Close to the Village Hall where they gave a toe-tapping and colourful performance.

The Ukulele group then continued the joy with their singing and strumming of well-known songs which everyone sang along to. The infamous Uft's dog show was well supported by well-behaved dogs, except for one large naughty boy, who was not on his lead and out of control!! The owners were forgiven but he did make us laugh. The Crafters did us proud with their various displays and a good contribution of home-grown veg.

Really successful Tombola and Raffle. All prizes generously donated by friends and villagers.

And what a wonderful supply of teas and homemade cakes supplied throughout the day by a fantastic team.

As you know the Charity for the day was the British Heart Foundation and it was overwhelming that the final amount raised was £610. Wasn't that fantastic!! A thank you letter has been received from BHF: "Thanking everyone that came together to raise this fantastic amount. Such gifts fund amazing research such as developing a liquid which temporarily stops the heart and protects it during surgery. As well as advances in paediatric surgery which means people born with congenital heart disease now live longer lives. The impact of our research is visible in almost every area of heart and circulatory disease, but we know there's still a long way to go to confidentiality support those whose lives are affected by it now and in the future" We want to thank everyone who worked so tirelessly behind the scenes and on the day. Without whom the day would not have been possible. Thanks also go to the Village Hall Committee for their support. We feel that the day was a great success with everyone coming together in such a happy environment and beautiful sunshine.

Heart of England Farms

Festive flavour to savour

Heart of England Farms have been rearing christmas poultry for over 40 years. Specialising in free range bronze turkeys, cockerels, white turkeys and geese we can offer something to keep every tastebud happy! With sizes ranging from smaller 3kg cockerels to beautiful 11kg+ turkeys, whatever the size of your gathering we have the ideal solution.

Our bronze turkeys have free range in open fields, the perimeter fence is to keep the wily fox out rather than the birds in! The geese wander at will being allowed acres of space for grazing, and our cockerels and ducks are allowed the time to reach maturity resulting in the tastiest birds ever!

All our birds are the 'Ultimate in NON Ultra Processed Food'.

No added oils, fats, enzymes, starches, protein substances, flavourings or preservatives. And definitely no added salt or sugar! A totally natural product, the way food should be.

For prices and ordering please visit our website, however for any individual questions do not hesitate to give us a call. Collection days are the 23rd and 24th December or delivery can be arranged as required.
