Heart of England Farms

Festive flavour to savour

Heart of England Farms have been rearing christmas poultry for over 40 years. Specialising in free range bronze turkeys, cockerels, white turkeys and geese we can offer something to keep every taste bud happy! With sizes ranging from smaller 3kg cockerels to beautiful 11kg+ turkeys, whatever the size of your gathering we have the ideal solution.

Our bronze turkeys have free range in open fields, the perimeter fence is to keep the wily fox out rather than the birds in! The geese wander at will being allowed acres of space for grazing, and our cockerels and ducks are allowed the time to reach maturity resulting in the tastiest birds ever!

All our birds are the 'Ultimate in NON Ultra Processed Food'. No added oils, fats, enzymes, starches, protein substances, flavourings or preservatives. And definitely no added salt or sugar! A totally natural product, the way food should be.

For prices and ordering please visit our website, however for any individual questions do not hesitate to give us a call. Collection days are the 23rd and 24th December or delivery can be arranged as required.
